REMINDER

Woolclasser Registration 2010/12

Woolclasser Registration is now open and a reminder letter has been sent to all woolclassers who are yet to register for the 2010/12 period. Members are also asked to remind any woolclassers that you come into contact with that a current registration is important and that they should register as soon as possible.

Current woolclasser registration expires on 31st December 2009.

Woolclassers have the option to register:

1. **On-line:**

Please direct woolclassers to the AWEX website www.awex.com.au where they can complete registration using a credit card payment (Mastercard or Visa).

Below is a screen shot of the AWEX web-site home page. Woolclassers need only to click on the "**Woolclassers click here to re-register**" icon and follow the prompts. To date we have had a high percentage of woolclassers who use this option and they report no problems in accessing the site.
